

Organizing your First Meeting

You finally get to start your Hallie's Angels chapter. And it's all happening at your first meeting: getting to know other team members and deciding on ideas for future projects. Use this sample meeting agenda to help you plan:

- 1) Pass around the Contact Sheet to collect team members' information.
- 2) Tell the group about LOVE, HALLIE:
 - Talk about Hallie
 - Talk about kindness, respect, and action
 - Explain why you're joining Hallie's Angels
- 3) Discuss what you want to do with your chapter and what causes you would like to support.
- 4) Talk more about how to be involved: Pass out the Individual Passports and talk about ideas you have for your first project.
- 5) Discuss how often and on what days you would like to meet. Every other Wednesday night—or maybe Saturday afternoons?
- 6) Let everyone know about the time for your next meeting, where you will start to plan your first project.
